Customer Notes

Service fee is \$30 + GST per tool

If an ink roller change is required, this is charged at the price of the ink roller.

Printband changes are charged at \$12 + GST per band.

Where parts are required, we'll always try to use the cheapest option available, often quality tested refurbished parts, to save you money.

In the case of the full repair cost exceeding 50% of the price of the gun, we will contact you to discuss options.

Please send tool/s to the address below along with this form.
